SEARCH NOTES		
Search Notes	Date	Examiner
Began with a classification search using Insight software. Found relevant classes, and browsed these classes: 345/7-9, 385/49,88, 362/555, 359/629-633. I used several terms to narrow down my search inside these classes, and then used citation searches to find materials that were relevant to the claims. Used the terms below in text searching.	7-11-2007	Elijah Sheets
